

Julie moved to Taiwan in 1967 with her parents who were missionaries with FEGC (now SEND). She began her education at Morrison Academy in first grade. That same year, she became a Christian under the guidance of her Morrison first grade teacher. She graduated from Morrison in 1981.

As a student at Morrison, Julie was exposed to strong Biblical teaching and was encouraged to follow Jesus wholeheartedly. She left Morrison with the desire to serve God wherever He might place her.

Julie and her husband Ron, also a Morrison grad ('80), returned to Taiwan as missionaries with TEAM in 1995. Their two children Mark ('06) and Teri ('08) started their Morrison education in kindergarten and 2nd grade. While Julie worked on learning Mandarin, she also found time to volunteer at Morrison. She helped in the library, coached basketball and track and field, and taught Bible and some math.

Julie began officially working in the Taichung High School Counseling Center in 2000. During her time at Morrison, she has worked in the High School Counseling Center, taught Bible, served as the Bible department head, served on several Bible and Guidance task forces, coached Basketball, Volleyball, and Track and Field, filled the roles of Director of Advancement, Director of Boarding, and Principal of Morrison's Chiayi campus. Next year she will be the Principal at MAK. Julie has a BA in Bible Theology from Moody Bible Institute, a credential in College Admission Counseling from UC San Diego, and an MEd in Educational Leadership from Concordia University, Portland.

Julie loves to share the realities of God's grace in her life. Her desire is that Morrison creates an environment where students can encounter Christ. Her life verse is "But, God demonstrates His own love toward us, in that while we were yet sinners, Christ died for us." (Romans 5:8).
